

**Serious Protection From Pest Entry And Easy Maintenance Access**

# The DEFENDER Access+

## Premium Vent Cover

Patent Pending Protection

Defense Against Squirrel and Bird Entry

Model DFRP80W

### Lasting Performance

Birds and squirrels can be persistent in making a home in your ducts. The Defender keeps them out.

Zinc coated steel that is also powder coated delivers lasting protection for existing terminations. Patented vertical bars keep creatures out while minimizing lint buildup and making it easy to clean. For full system maintenance, the easy opening front gate provides clear access for professional equipment.

- **No-Tool-Required Maintenance Access**
- Provides an Extra Level of Weather Protection
- Deters Bird and Squirrel Entry
- Helps Hide Unsightly Vents

**Made in  
the USA**

### Easy Opening Front

The drop-notch front gate (patent pending) makes access for brushes and duct cleaning equipment a breeze. With the easy opening vertical bar gate, there's no need to remove fasteners from the wall for cleaning.
