

# POND DEFENDER™

Protect Your  
Koi Fish!

- Keep Koi fish safe from predators such as Heron and other animals
- Easy to install using supplied joining clips
- U.V. protected polypropylene
- Plants will grow through Pond Defender openings
- Will fit any size pond or water garden

The Bird•B•Gone® Pond Defender™ protects water garden fish from predators!

The Bird•B•Gone Pond Defender is virtually invisible once installed. Will not ruin the aesthetic of your pond or water garden.

The Bird•B•Gone® Pond Defender™ saves money on fish and ruined plants!
