SSNC SHELD™ PEST DETERRENT

OF DAY NIGHT

PATENT PENDING

- Uses sound and flashing light to scare pests away from your property
- Portable! Place near areas where pests are a problem
- Two modes for around the clock protection. (day & night)
- Easily installs; Uses 4 AA batteries (not included)

The **Bird•B•Gone Sonic Shield**[™] scares

unwanted critters and characters away!

1. Day time mode: Repels birds through loud eagle sounds. The predator sounds scare

2. Night time mode: For use in areas where nighttime noises are discouraged, LED

lights flash to scare the birds from the area.

Two Modes of Protection:

birds away from your balcony.

Safe & Humane Way to Get Rid of Birds!
